 4. Outside Vendor (based outside of Kern River Valley)

First right of refusal is voided if the vendor is *NOT* a Chamber member and an incoming vendor is a Chamber member.
4. **Year-Round Local Vendors** have priority over outside vendors if the above two criteria (bullet 2 and 3) are not met.
5. We reserve the right to limit the number of vendors selling similar items or services. This number will be determined by the Board of Directors based on each event and the type of service.
6. In cases of duplication, priority goes in the order listed under bullet 1 above.
7. Completed Registration consists of the following: completed vendor application, signed Vendor Agreement, Insurance Certificate, and payment in full.
8. Completed Registration must be received by the due date.
9. Registration completed after the deadline will be accepted *ONLY IF* space is still available and the products offered enhance the overall vendor mix. **A \$50 late fee will also be assessed.**
10. Vendors that have turned in completed registration forms and payment will be notified of acceptance at least 6 weeks prior to the event.
11. The Kernville Chamber of Commerce reserves the right to reject a vendor with a majority vote if the decision is made that there is reasonable cause for the vendor not to attend.

SWAP MEETS, FLEA MARKETS, OR SPECIAL EVENTS CERTIFICATION

People who sell merchandise in California are generally required to hold a seller's permit.

You **may not** sell at this event unless you have a seller's permit or are not required to hold a permit. You are required to have a permit if you are selling, even temporarily, new or handcrafted items or used items you purchased for the purpose of reselling to others. You are not required to hold a permit if you are only making "occasional" sales, selling products that are not taxable when sold at retail, or selling on behalf of a section 6015 retailer.

You may electronically register for a seller's permit at no cost to you by visiting our website at www.cdtfa.ca.gov. To find a California Department of Tax and Fee Administration (CDTFA) office near you, call our Customer Service Center at 1-800-400-7115 (TTY:711) or visit our website. If you obtain a temporary seller's permit, the business address on your temporary permit should be the address of the temporary selling location and the mailing address should be your permanent place of business or residence.

Occasional and Nontaxable Sales—Occasional sellers are usually people who are not required to hold a seller's permit because they will not be making a series of qualifying sales. A person who has cleared their garage of used items *accumulated for their own use* and who sells *only* those items would usually qualify as an occasional seller, provided they make sales no more than twice in a 12-month period. Some sellers who make only nontaxable sales are also not required to hold seller's permits. Examples include sellers of fresh produce or other cold food products sold "to go." Please note, however, some food sales are taxable, including sales of food for consumption in places where admission is charged.

Section 6015 Retailers—Revenue and Taxation Code section 6015 relieves certain individuals of the requirement to obtain a seller's permit when: (1) the product supplier is a CDTFA approved section 6015 retailer, (2) the product supplier reports and pays tax on the actual "retail selling price," (3) the individual is selling only those items purchased from the section 6015 retailer, and (4) the individual provides the name of the product supplier. Typical section 6015 retailers include multi-level marketing retailers that solicit sales through a network of individual salespeople/representatives (for example, Avon, Tupperware).

Verification of a seller's status is required by law. Please complete all four sections of this form. Please print.
